ITEM	DISCUSSION/COMMENTS	ACTION/OUTCOME
<b>1. Welcome</b>	Dale welcomed everyone to the meeting.	Information only.
<b>2. November 2017 Minutes</b>	Minutes were approved.	The minutes will be posted to the ITAC website.
<b>3. O365 Implementation</b>	Monica Cantu-Chan provided an update on the implementation of O365. She shared that training classes are scheduled in Professional Development for the month of January. The go live date is January 29, 2018. The migration of email will begin towards the end of the month. IT has created an O365 website at <a href="http://www.mtsac.edu/it/o365">http://www.mtsac.edu/it/o365</a> that contains training materials, frequently asked questions, and other news about the O365 project. IT is working with a third-party vendor to complete the data migration portion of the project.	Information only.
<b>4. Enterprise Application Systems Update</b>	Antonio Bangloy provided an update on Banner 9 and the Multiple Measures project. IT has created a Banner 9 website at <a href="http://www.mtsac.edu/it/banner9">http://www.mtsac.edu/it/banner9</a> that contains a training video, information on what will change in the new version, and other news about the Banner 9 upgrade project. The first module for Banner 9 will go live sometime in the summer. Chuong Tran, Beverly Heasley, and Antonio gave an update on Multiple Measures which is a project to create	Information only.

	<p>a system for students to answer questions related to their previous Math or English course experience and be shown a placement level for Mt. SAC. This placement level will then update Banner and allow the student to register for English or Math courses. This is a joint project with Instruction, Student Services, and IT. They are planning to go live for the summer 2018 registration cycle.</p>	
<p><b>5. Other Items</b></p>	<p>Dale encouraged ITAC members to submit agenda items for future meetings.</p> <p>IT did experience an issue with Adobe software that, when accessed, was asking users to login. This issue was fixed and anyone that is still experiencing it should call the IT Help Desk.</p> <p>The next meeting is March 5 at 2:30 p.m. in Building 4 Room 2460.</p>	<p>An email reminder will be sent one week before the meeting.</p>
